

Washington Association of RaspberryPi Jam Sessions

BE A PART OF A WORLD RECORD SETTING EVENT

Raspberry Jam

- Independently organised community events
- Family-friendly
- Mix of meetup / conference / workshop styles
- Raspberry Jam Guidebook and more resources available
- Contact me about setting one up!

raspberrypi.org/jam

The Washington Association of RaspberryPi Jam Sessions is creating a statewide Raspberry Pi Jam Session that happens on the same day every year at every college and school in Washington State and will set the World Record for the most simultaneous Raspberry Pi Jam Session happening on the same day.

Visit WARPJAMS.COM and adopt a school or college near you and organize a Raspberry Pi Jam Session.
Get the free guide on how to do that at our site.

At our web site you will find a directory of Washington Schools and USA Colleges to Explore

You will also find information resources for your educational use from our sponsors as well.

We need you to [help coordinate and plan](#) this event so please [join](#) and drop in a comment on the [social network](#).

The planned time frame to have this event is during [Computer Science Education Week](#) on December 9-15th each year.

We want to produce an [Hour of Code](#) event at each of these [Raspberry Pi Jam Sessions](#)
